# Welcome to the Thurner Wirtshaus!

Welcome to the Thurner Wirtshaus, the cozy meeting place in the heart of our beautiful Black Forest, where traditional hospitality meets modern cuisine. With us you will not only enjoy a warm atmosphere, but also a cuisine that brings regional flavors to life with passion and creativity. Enjoy the panorama, the traditional yet sophisticated delicacies of our fresh cuisine. Our menu is a tribute to the variety of local products, carefully selected and prepared to give each dish a special touch. Whether you are craving a hearty classic or want to try something new, our kitchen team will ensure that every bite is an unforgettable experience. The more than three hundred year history of the Thurner Wirtshaus dates back to the year 1669.

At that time, the Thurner Wirtshaus was attached to the post station on the Thurner Pass, which was probably already an important Black Forest crossing in Roman times on the way from Freiburg im Breisgau and the Dreisamtal towards Baar and Lake Constance.

The team at Thurner Wirtshaus looks forward to seeing you!
